Message from the Basileus

Sand irritates the oyster and the oyster responds by becoming a beautiful pearl. Allow difficulties to serve your transformation in the blossoming consciousness that you are.
-RB

As we prepare for our Pearls on the Pier Gala, an event three years in the making, I am reminded that no matter the COVID-19 irritations that we have faced over the past two years, the Radiant Rho Kappa Omega Chapter has truly blossomed into a beautiful pearl and we are about that Alpha Kappa Alpha life!

Moving into our fall programming, let's keep in mind our new COVID-19 Policy. Sorors must be fully vaccinated. Unvaccinated Sorors are not permitted to attend chapter meetings or events. Masks are optional and waiver forms are no longer required. Additionally, if you are experiencing COVID-19 symptoms, immediately test using a rapid self-test at home or a laboratory test at your local pharmacy. If you test positive, please do not attend events and follow guidelines from the CDC for isolation and quarantine protocols.

Sorors, per our Supreme Basileus, Soror Danette Anthony Reed, Sisterhood is Live and In-Person. Chapters were directed to resume in-person meetings. Hybrid meetings are no longer permitted unless an exception is provided by the Regional Director. There are no religious or medical exemptions for unvaccinated Sorors and no other provisions to credit unvaccinated Sorors with participation for events wherein attendance is required. Any concerns may be raised with Madam Regional Director, Soror Elicia Pegues Spearman via a letter from the Chapter. The Directorate will review the policy on September 30, 2022.

So as we begin the "Soaring to Greater Heights of Service and Sisterhood Administration," let us do so with a new fervor for our Sisterhood. This administration has six (6) initiatives with Sisterhood as the foundation initiative to strengthen our bonds to support our service mission and five (5) program initiatives designed to improve the lives of those we serve.

Sorors when I saw the foundation initiative, I couldn't help but smile because our 2022 Vision Statement is synonymous with Madam Supreme's push to Strengthen Our Sisterhood. To quote us, "Sisterhood is the heart of Alpha Kappa Alpha Sorority, Incorporated and Rho Kappa Omega will strengthen her heartbeat with everything that we do." At this point, ain't nothing to it but to do it, so let's get it done!

Sisterly,

Soror Corinne

Breast Cancer
Awareness Block
Party

Hi Soror Missy,

On behalf of my nonprofit, **SurviveHER** and our partner, AfroPink, I'm writing to solicit your support and participation in our annual **Breast Cancer Awareness Block Party in Harlem, NYC on Saturday, October 1**. This year's theme is "Mammos & Genetics Matter."

Sponsors include the NY Black MBA, Estée Lauder and the Victoria's Secret Foundation.

(My story: I'm a 2.5-year breast cancer survivor of Triple Negative Breast Cancer, and my mission is to inform, inspire and empower. I carry the BRCA 1 gene mutation, so am very adamant about educating communities of color about the importance of genetic testing.)

Please review the attached document and let us know if you'd like to participate. If there are any PKQ sorors who'd like to volunteer for a few hours, that's an option, too. Tables and chairs will be provided for your booth. We'll provide more logistics and details mid-September.

Thank you!
Soror Lyndsay

PROPOSED AMENDMENT 1: Article I – Boule Officers

Article I, Section 17 – Add a new Section 17; current Sections 17, 18 and 19 will be renumbered.

CURRENT WORDING None

PROPOSED AMENDMENT

HBCU Initiative. The HBCU initiative is designed to support HBCUs to help ensure their perpetuity. Each Supreme Basileus at her discretion shall implement an HBCU initiative.

IF ADOPTED, WILL READ

HBCU Initiative. The HBCU initiative is designed to support HBCUs to help ensure their perpetuity. Each Supreme Basileus at her discretion shall implement an HBCU initiative.

Recommended by: The Directorate of Alpha Kappa Alpha Sorority, Incorporated®

Rationale: Alpha Kappa Alpha Sorority was founded on the campus of an HBCU, Howard University. HBCUs were established to educate newly freed slaves, and for decades were the only viable option for people of color to receive a college education. For many students, HBCUs remain the only option to obtain a college degree. It is important that Alpha Kappa Alpha plays her part to preserve these treasured institutions by acknowledging the significance of HBCUs and the important role HBCUs have played in the education and development of African Americans and the creation of the Black middle-class. The sustainability of HBCUs is critical to the progress of this nation as evidenced by the contributions that HBCU students and alumni have made and continue to make.

Financial Impact. The sorority's budget includes a program line item to support the initiatives of the Supreme Basileus. The HBCU Initiative will be funded at the discretion of the Supreme Basileus through this line item.

Directorate Recommendation. The Directorate recommends that this proposed amendment in support of HBCUs be adopted.

Soror Garland Thomas-McDavid

The Fifth Plenary Session was called to order at 2:33pm on July 13, 2022 by Soror Glenda Glover followed by a meditation by Soror Lottie Otto, International Spiritual Oversight Committee member—Gamma Xi Omega Chapter, who began with a roaring message/conviction to Sorors asking loudly and repeatedly at first, “If it had not been for the Lord on your side, where would you be?!” Sorors were asked to engage their neighbor in a series of questions (i.e. won’t he do it?) as Soror Lottie began passionately running about in praise (circling the front of the room) revisiting the microphone to praise

God for being almighty, blessing us all, and anointing new leaders to come forward in leadership and service.

Regional Director Greetings

Madam Supreme began a regional roll call, acknowledging each region, as members cheered with enthusiasm as their regions were called. Madam Regional Director, Mary Lamar Bentley, was first to address her region, reminding the Boule that the Notable North Atlantic Region is the origin of our beloved sorority and therefore will forever hold special significance. She went on to thank Madam Supreme for the work the region has been able to achieve under her leadership and ended her greetings by quoting her mantra “Leading on a High Note”. She was followed by nine other greetings from the regional directors of the remaining regions. All were well received with cheers and excitement.

Boule Reports

Soror Danette Reed, Incoming Supreme Basileus, reported that a hard copy of a book titled “Boule Reports” would be distributed before conference end which would serve as a comprehensive resource for all reports from the Directorate.

Madam Supreme shared a surprise was coming and invited Soror Stacy Jackson to come and address the room to share the news and then recanted with “Still working on it”

Report of the Executive Director

Soror Cynthia Howell, Executive Director began with a Registration and Delegate report. Soror Howell began by dedicating the report to her recently deceased mother, acknowledging that this would be her first Boule without her present.

Soror Howell, presented a video. The video began by speaking to the need to take risks and the impacts of the pandemic required AKA to take risks in order to pivot and successfully overcome challenges which yielded a myriad of impressive results including, but not limited to:

✿ 28,000 members participated in our first hybrid conference;

- ✿ MIP working in overdrive (110,778 exceeding previous 89,000 by 24%, as of June 14, 2022, 112,171—highest financial active membership in history, record number of evaluations and initiations);
- ✿ Finance and Accounting received an unmodified opinion for 2021 audit;
- ✿ IT help desk remained active providing support, e-blasts, website updates, virtual certifications, installing new AMS system;
- ✿ HR Dept. overseeing 36 corporate staff members (over half with over ten years tenure, six over 20 years);
- ✿ Facilities team managed online orders, inventory, shipping (Ivy Center pictured and noted as immaculately maintained and improved);
- ✿ Dept. achievements, Leadership Seminars, Leadership Fellows, 2 Boules, Vendor Management—working with intellectual property attorneys prior to Dec 1 2021—now have 297 licensed vendors. They will live up to their motto “We get it done.” —The report was concluded by submitting officially to Madam Supreme.
